

NAUTILUS FREEDOM RACK™

LIFT SAFELY. MOVE FREELY.

Users can finally break free from the restricted movement of similar track machines and now perform exercises that feel natural and safe. The Freedom Rack's patented track technology provides simultaneous vertical and horizontal bar movement to mimic the bodies natural strength curve, offering the safety of a Smith Machine and the diversity of a Power Rack. The Freedom Rack features multiple bar rack safety catches that offer forward, rear and lower racking. Intuitive user placards featuring 20 detailed exercise explanations are conveniently located within the unit so members can properly engage in a variety of exercises. The Freedom Rack has many features that offer users peace of mind so that they can safely reach their goals while maximizing every rep.

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
