

STAR TRAC® **8TRx Treadmill**

8TRx Treadmill with OpenHub™

Our dedication to innovation has led us to search for new ways to offer the best user experience possible, and nowhere is the effort more evident than in our 8 Series cardio. Built in are the user focused features you have come to expect from Star Trac, like personal fans, a hot bar with heart rate monitoring and Soft Trac® technology. The 8TRx Treadmill is available with 19 inch, 10 inch and LCD touch screen OpenHub consoles, with the option to add a personal viewing screen for entertainment. OpenHub consoles provide intuitive connectivity options for entertainment, fitness tracking and asset management. Give your members and staff the complete fitness experience by adding 8 Series cardio with OpenHub to your facility.

corehealthandfitness.com

GymKit allows OpenHub LCD & new 19" consoles to connect directly with Apple Watch for real-time data sharing between the equipment and Watch.

OPTIONAL TABLET HOLDER CAN BE ADDED TO THE TOP OF ANY LCD OR 10" OPENHUB™ CONSOLE.

OPENHUB™ FAMILY OF CARDIO CONSOLES

When we set out to design our new console, our philosophy was simple: provide a flexible platform that connects expert partners to provide solutions for every customer for today and into the future. OpenHub is a smart, affordable, configurable solution available on Star Trac® and StairMaster® cardio equipment packed with entertainment, fitness tracking, group display, and asset management solutions. Whether you are looking for embedded TV, streaming video, 800/900mhz receivers or an add-on pvs, it's all possible. The best part is, you add (and pay for) only what you want, when you want. All OpenHub consoles can connect with leading technology and third party apps to deliver connectivity solutions for users to easily track, save and share their workout results. The future of club connectivity is here. The future is OpenHub.
