

PRO RUNNER TREADMILL

The 3G Cardio Pro Runner is the perfect treadmill for those who want quality but also need to conserve space. While there are many folding treadmills on the market today, the Pro Runner Treadmill offers users the unique ability to have a high quality and space saving treadmill all in one! Most folding treadmills lack the quality needed to run at higher speeds or longer distances but that is not the case with the Pro Runner Treadmill.

With a built in Heart Rate Interactive Pulse Monitor and an Optional Wireless HR Chest Belt, your Pro Runner is ready to check your pulse as you keep the pace. Simply grab the console grips and find out if you're at your target heart rate.

Our Orthopedic Belt will get you moving with it's large 20.5" x 58" running space. Combine the comfort of our belt with the 3.0 HP motor and 2" rollers and you've got a treadmill that will keep up with all your workouts.
